

**Department:** World Languages

**Course Name:** Spanish 5th

**Course Description:**

Fifth grade Spanish continues the oral/aural language acquisition and cultural awareness begun in the lower school grades, in preparation for focused study in later middle school years. Students are exposed to the Spanish language through songs, games, dialogues and hands-on materials. The goal is to help each student develop a certain level of proficiency in the skills of speaking, listening, reading and writing.
